What Our Patients Say

Real experiences from people who trusted Hisar Medical Diagnostic for their healthcare needs.

10,000+ Happy Patients

99.8% Accuracy Rate

24/7 Emergency Care

4.9/5 Average Rating

★★★★★ 2 weeks ago

Excellent service and accurate reports. The staff is very cooperative and the doctors are highly experienced. Got my MRI done and the report was delivered within 24 hours.

Rajesh Sharma
Patient

★★★★★ 1 month ago

My family has been visiting Hisar Medical Diagnostic for years. The cleanliness, professionalism, and accuracy of tests are commendable. Emergency services are truly 24/7.

Priya Verma
Regular Patient

★★★★☆ 3 weeks ago

As a practicing physician, I refer my patients here with confidence. The diagnostic accuracy and timely reports help in proper treatment planning. Highly recommended.

Dr. Anil Gupta
Referring Doctor
